**INVESTMENT CONSIDERATIONS**

Prospective investors should carefully consider the following investment considerations, in addition to the matters set forth elsewhere in these Final Terms and the Debt Issuance Programme Prospectus (as referred to below), prior to investing in the Notes.

Credit exposures to Reference Entities

This is not a capital guaranteed product. The redemption amount of the Notes at their Maturity Date will depend on whether Trigger Events (as defined in Appendix 2) have occurred. Noteholders may lose, in part or in whole, amounts invested in the Notes as the result of a Trigger Event occurring.

Non-reliance

The Noteholders who purchase the Notes will be deemed to have represented and agreed that they (i) have the knowledge and sophistication independently to appraise and understand the financial and legal terms and conditions of the Notes and to assume the economic consequences and risks thereof; (ii) to the extent necessary, have consulted with their own independent financial, legal or other advisers and have made their own investment, hedging and trading decisions in connection with the Notes based upon their own judgement and the advice of such advisers and not upon any view expressed by the Issuer or the Dealer; (iii) have not relied upon any representations (whether written or oral) of any other party, and are not in any fiduciary relationship with the Issuer or the Dealer; (iv) have not obtained from the Issuer or the Dealer (directly or indirectly through any other person) any advice, counsel or assurances as to the expected or projected success, profitability, performance, results or benefits of the Notes, and have agreed that the Issuer and the Dealer do not have any liability in that respect; (v) have not relied upon any representations (whether written or oral) by, nor received any advice from, the Issuer or the Dealer as to the possible characterisation under the laws or regulations of any jurisdiction of the

Notes described in these Final Terms and understand that nothing contained herein should be construed as such a representation or advice for the purposes of the laws or regulations of any jurisdiction.

**PART A – CONTRACTUAL TERMS****NON-US REGISTERED NOTES:**

The Notes described herein may not be legally or beneficially owned at any time by any U.S. Person (as defined in Regulation S) and accordingly are being offered and sold outside the United States to persons that are not U.S. Persons in reliance on Regulation S.

By its purchase of a Note, each purchaser will be deemed or required, as the case may be, to have agreed that it may not resell or otherwise transfer any Note held by it except outside the United States in an offshore transaction to a person that is not a U.S. Person.

Terms used herein shall be deemed to be defined as such for the purposes of the Conditions set forth under the heading “*Terms and Conditions of the English Law Notes and the Uncertificated Notes*” in the Debt Issuance Programme Prospectus dated 28 April 2009, which, constitutes a base prospectus for the purposes of the Prospectus Directive (Directive 2003/71/EC) (the “**Prospectus Directive**”). This document constitutes the Final Terms of the Notes described herein for the purposes of Article 5.4 of the Prospectus Directive and must be read in conjunction with the Debt Issuance Programme Prospectus and any Supplement(s) to such Debt Issuance Programme Prospectus published prior to the Issue Date (as defined below) (the “**Supplement(s)**”); provided, however, that to the extent such Supplement (i) is published after these Final Terms have been signed or issued and (ii) provides for any change to the Conditions as set out under the heading “*Terms and Conditions of the English Law Notes and the Uncertificated Notes*”, such change(s) shall have no effect with respect to the Conditions of the Notes to which these Final Terms relate. Full information on the Issuer, the Guarantor and the offer of the Notes is only available on the basis of the combination of these Final Terms, the Debt Issuance Programme Prospectus and any Supplement(s). Prior to acquiring an interest in the Notes described herein, prospective investors should read and understand the information provided in the Debt Issuance Programme Prospectus and any Supplement(s) and be aware of the restrictions applicable to the offer and sale of such Notes in the United States or to, or for the account or benefit of, U.S. persons. Copies of the Debt Issuance Programme Prospectus, any Supplement(s) and these Final Terms are available for inspection from the head office of the Issuer, the specified offices of the Paying Agents and, in the case of Notes admitted to trading on the regulated market of the Luxembourg Stock Exchange, on the website of the Luxembourg Stock Exchange ([www.bourse.lu](http://www.bourse.lu)).

The provisions of the Equity Technical Annex apply to these Final Terms and such documents shall be read together. In the event of any inconsistency between the Equity Technical Annex and these Final Terms, these Final Terms shall prevail.

Each of the Issuer and the Guarantor accepts responsibility for the information contained in these Final Terms prepared in relation to Series 25522/10.3, Tranche 1. Information or summaries of information included herein with respect to the Underlying(s), has been extracted from general databases released publicly or by any other available information. Each of the Issuer and the Guarantor confirms that such information has been accurately reproduced and that, so far as it is aware and is able to ascertain from information published, no facts have been omitted which would render the reproduced information inaccurate or misleading.

- (i) **Listing:** Application has been made for the Notes to be listed on the official list of the Luxembourg Stock Exchange
- (ii) **Admission to trading:** Application has been made for the Notes to be admitted to trading on the regulated market of the Luxembourg Stock Exchange with effect from or as soon as practicable after the Issue Date.

**2. RATINGS**

**Ratings:** The Notes to be issued have not been rated.

**3. NOTIFICATION AND AUTHORISATION**

The *Commission de Surveillance du Secteur Financier (CSSF)*, Luxembourg, has provided the *Autorité des marchés financiers (AMF)*, France, with a certificate of approval attesting that the Debt Issuance Programme Prospectus has been drawn up in accordance with the Prospectus Directive.

The Issuer and the Guarantor have authorised the use of these Final Terms and the Debt Issuance Programme Prospectus dated 28 April 2009 by the Dealer/Managers and the entities in charge of the distribution of the Notes (the **Distributors** and, together with the Dealer/Managers, the **Financial Intermediaries**) in connection with offers of the Notes to the public in France for the period set out in paragraph 13 below

**4. INTERESTS OF NATURAL AND LEGAL PERSONS INVOLVED IN THE ISSUE**

Save for any fees payable to the Dealer, and except as mentioned below, so far as the Issuer is aware, no person involved in the issue of the Notes has an interest material to the offer.

The Issuer and Société Générale expect to enter into hedging transactions in order to hedge the Issuer's obligations under the Notes. Should any conflicts of interest arise between (i) the responsibilities of Société Générale as Calculation Agent for the Notes and (ii) the responsibilities of Société Générale as counterparty to the above mentioned hedging transactions, the Issuer and Société Générale hereby represent that such conflicts of interest will be resolved in a manner which respects the interests of the Noteholders.

**5. REASONS FOR THE OFFER, ESTIMATED NET PROCEEDS AND TOTAL EXPENSES**

- (i) **Reasons for the offer:** See "Use of Proceeds" wording in Debt Issuance Programme Prospectus
- (ii) **Estimated net proceeds:** Not Applicable

- (iii) **Estimated total expenses:** Not Applicable
6. **YIELD (Fixed Rate Notes only)**
- Indication of yield:** Not Applicable
7. **HISTORIC INTEREST RATES (Floating Rate Notes only)**
- Not Applicable
8. **PERFORMANCE OF INDEX/FORMULA, EXPLANATION OF EFFECT ON VALUE OF INVESTMENT AND ASSOCIATED RISKS AND OTHER INFORMATION CONCERNING THE UNDERLYING (Index Linked Notes only)**
- The Final Redemption Amount due by the Issuer under each Note is to a large extent dependent upon the amounts effectively and definitively received by Société Générale under the Cash Agreement (as defined herein) entered into with the Reference Entity. To the extent the funds received from the Reference Entity under the Cash Agreement prove ultimately insufficient to enable the Issuer to pay to the Noteholders the Final Redemption Amount on the Scheduled Maturity Date, the Noteholders will not have any further claim on the Issuer or the Guarantor, irrespective as to whether the Issuer or the Guarantor would be able to make such payment out of their own funds.
- Under these Notes, the Noteholders will not receive any coupons during the term of the Notes. At maturity, the Noteholders are entitled to receive an amount totally linked to the performance of the Underlying(s). The actual redemption date of these Notes is directly related to the performance of the Underlying(s): the better the performance, the sooner the redemption date and conversely, the worse the performance and the later the redemption date. The return under these Notes is totally linked to the performance of the Underlying(s): the higher the performance, the higher the return. The return depends upon the fact that the performance of the Underlying(s) reaches or does not reach a pre-determined threshold. Accordingly, a small downward or upward movement of the Underlying(s) close to the threshold may result in a significantly larger increase or decrease of the return of the Notes. The return of these Notes is linked to the performances of the Underlying(s) as calculated on pre-determined Valuation Dates, and regardless of the level of such Underlying(s) between these dates. As a result, the Closing Price of the Underlying(s) on these dates will affect the value of the Notes more than any other single factor. Under these Notes, at maturity, the Noteholders may not receive the amount initially invested. Noteholders are entitled to receive a Final Redemption Amount which may, in case of an adverse evolution of the Underlying(s) during the term of the Notes, be significantly lower than the amount per Note initially invested
- Pursuant to the provisions of the Equity Technical Annex, upon the occurrence of certain Extraordinary Events and Adjustments affecting the Underlying, the Calculation Agent may decide an Early Redemption of the Notes on the basis of Market Value.
9. **PERFORMANCE OF RATE[S] OF EXCHANGE AND EXPLANATION OF EFFECT ON VALUE OF INVESTMENT (Dual Currency Notes only)**

13. **PUBLIC OFFERS**

The Notes issued on March 15, 2010 will be fully subscribed by Société Générale and thereafter offered to the public in the secondary market, in France, from and including March 15, 2010 to and including June 30, 2010.

The offer price of the Notes evolves at a rate of 0.30% between the Issue Date and March 15, 2010 in order to reach 100% on June 30, 2010 in accordance with the following formula :

$$\text{Offer Price}(t) = \text{Issue Price} \times (1 + 0.30\% \times \text{Nb}(t)/360)$$

Where :

“Nb(t)” means, the number of calendar days between the Issue Date and such date “t” on which the market value of the Notes will be calculated (both dates included).

**APPENDIX I**

(this Appendix forms part of the Final Terms to which it is attached)

Capitalised terms used but not defined in this Appendix 1 shall have the meanings given to them in the Appendix 2 save to the extent it is supplemented or modified herein.

**1. Trigger Event provisions/Cash Settlement Amount:**

If a Trigger Event has occurred, as determined by the Calculation Agent, in the period from and including the Launch Date (as defined in Appendix 2) to and including the Last Trigger Event Occurrence Date and a Trigger Event Notice is delivered during the Notice Delivery Period by or on behalf of the Issuer to the Noteholders, then the Issuer will no longer be liable for the payment of the Final Redemption Amount on the Scheduled Maturity Date and will, in full and final satisfaction of its obligations hereunder in respect of the redemption of each Note, pay or procure payment of the Adjusted Crystallized Value on the Cash Settlement Date. The Adjusted Crystallized Value and the Cash Settlement Date shall be notified to the Noteholders in the Final Valuation Notice on the first Business Day following the Final Determination Date.

**2. Trigger Event Notice after Restructuring**

Upon the occurrence of a Trigger Event which is a Restructuring during the period from and including the Launch Date to and including the Last Trigger Event Occurrence Date:

- (a) the Calculation Agent may deliver a Trigger Event Notice in respect of an amount (the **Partial Redemption Amount**) that is less than the Nominal Amount outstanding of each Note immediately prior to the delivery of such Trigger Event Notice. In such circumstances the provisions of paragraph 1 to this Appendix 1 shall be deemed to apply to the Partial Redemption Amount; and
- (b) for the avoidance of doubt the provisions of paragraph 1 to this Appendix 1 shall apply to such Nominal Amount outstanding of such Note in the event that subsequent Trigger Event Notices are delivered in respect of the Reference Entity.

**3. Multiple Successor**

Where, pursuant to the definition of **Successor** (see attached Appendix 2), more than one Successor has been identified, each such Successor (a **Multiple Successor**) shall be a Reference Entity for the purposes of the Conditions, but only in respect of a Nominal Amount of each Note equal to the Nominal Amount divided by the number of Multiple Successors to such Reference Entity (the **Multiple Successor Notional Amount**) as determined by the Calculation Agent. Where Multiple Successors (each, a **Sub-Multiple Successor**) have been identified in respect of a Reference Entity (an **Original Multiple Successor**) that is itself a Multiple Successor, each such Sub-Multiple Successor shall be a Reference Entity for the purposes of the Conditions, but the Multiple Successor Notional Amount in respect of a Sub-Multiple Successor shall be equal to the Multiple Successor Notional Amount in respect of such Original Multiple Successor divided by the number of Sub-Multiple Successors to such Original Multiple Successor. Following the delivery of a Trigger Event Notice in respect of a Multiple Successor, the Notes will not be redeemed in whole but an amount shall be determined in respect of each Note (an **Instalment Amount**) which shall be determined in the same manner as the Cash

Settlement Amount that would otherwise have been determined in respect of such a Trigger Event in relation to the original Reference Entity, except that it shall be in respect of a nominal amount of each Note equal to the relevant Multiple Successor Notional Amount only. The date of payment of any such Instalment Amount (an **Instalment Date**) shall be determined in the same manner as the Cash Settlement Date that would otherwise have been determined in respect of such a Trigger Event in relation to the original Reference Entity. More than one Instalment Amount may be determined on the same day in respect of different Multiple Successors, but not more than one Trigger Event Notice may be delivered in relation to a single Multiple Successor unless a Restructuring Trigger Event occurs in relation to a Multiple Successor, in which case the provisions of paragraph 2 of this Appendix 1 will apply in respect of such Multiple Successor. Upon the determination by the Calculation Agent of the identity of Multiple Successors, the Calculation Agent shall determine the modifications required to be made to the Conditions and any other related documents, to preserve substantially the economic effect for a Noteholder of a holding of the Notes and the Issuer shall use its reasonable endeavours to effect such modifications.

For the avoidance of doubt, the Nominal Amount of each Note if no Trigger Event Notice has been delivered on or prior to the Scheduled Maturity Date, will be redeemed on the Scheduled Maturity Date which implies the payment of the Final Redemption Amount of Each Note on the Scheduled Maturity Date as set forth in the schedule for equity linked notes above.

*(this Appendix forms part of the Final Terms to which it is attached)*

**DEFINITIONS**

**Adjusted Crystallized Value** means, in respect of each Note then outstanding, an amount determined by the Calculation Agent as of the Final Determination Date, equal to the product of :

and

(ii) the Specified Denomination.

In the case of occurrence of a Trigger Event, the claim per Note of the Noteholders on the Issuer or the Guarantor is limited to this Adjusted Crystallized Value irrespective as to whether the Issuer or the Guarantor would be able to pay to the Noteholders an amount per Note equal to the Final Redemption Amount of each Note on the Scheduled Maturity Date as set forth in the Schedule above, out of their own funds.

The Transaction Nominal Amount will be adjusted at any time with respect to the aggregate nominal amount of the Placed Notes.
- (ii) Société Générale may pay amounts to Barclays (expressed as a positive number) or Barclays may pay amounts to Société Générale (expressed as a negative number) (the **Adjustment Amounts**) so that the sum of (a) the value of the relevant Transaction and (b) the Adjustment Amounts shall be adjusted on regular basis with respect to the aggregate market value of the Placed Notes of the relevant series of notes, as determined by the Calculation Agent;
- (iii) The party holding the Adjustment Amounts at the maturity date of the relevant Transaction of each series of notes shall repay such Adjustment Amounts to the other party at such time;

For the avoidance of doubt, any Adjustment Amounts or Adjustment Remuneration Amount due with respect to the Notes is deemed to be due for the determination of the Cash Amount in Default. In the case of occurrence of a Trigger Event, the claim per Note of the Noteholders on the Issuer or the Guarantor are limited to the Adjusted Crystallized Value as affected by this Cash Amount in Default irrespective as to whether the Issuer or the Guarantor would be able to pay to the Noteholders an amount per Note equal to the Final Redemption Amount of each Note on the Scheduled Maturity Date as set forth in the schedule above, out of their own funds.

**Relevant Clearing System** means Clearstream Banking, société anonyme, Luxembourg (**Clearstream**, Luxembourg), Euroclear Bank S.A./N.V. (**Euroclear**) or any other clearance system for the Deliverable Obligations as designated by Euroclear or Clearstream, Luxembourg.

**Repudiation/Moratorium** means the occurrence of both of the following events : (i) an authorized officer of the Reference Entity or a Governmental Authority (x) disaffirms, disclaims, repudiates or rejects, in whole or in part, or challenges the validity of the Cash Agreement or (y) declares or imposes a moratorium, standstill, roll-over or deferral, whether de facto or de jure, with respect to the Cash Agreement.

**Restructuring** means that,

(a) with respect to the Cash Agreement, any one or more of the following events occurs in a form that binds Société Générale, is agreed between the Reference Entity and a Governmental Authority or is announced (or otherwise decreed) by a Reference Entity or a Governmental Authority in a form that binds Société Générale, and such event is not expressly provided for under the terms of the Cash Agreement in effect as of the later of the Launch Date and the date as of which such Cash Agreement is entered into :

(i) a reduction in the rate or amount of interest payable or the amount of scheduled interest accruals;

- (ii) a reduction in the amount of principal or premium payable at maturity or at scheduled redemption dates;
- (iii) a postponement or other deferral of a date or dates for either (A) the payment or accrual of interest or (B) the payment of principal or premium;

Subordinated will be construed accordingly. For purposes of determining whether Subordination exists or whether an obligation is Subordinated with respect to another obligation to which it is being compared, the existence of preferred creditors arising by operation of law or of collateral, credit support or other credit enhancement arrangements shall not be taken into account.

**succeed** means, for the purposes of determining a successor, with respect to the Reference Entity and the Cash Agreement, that a party other than such Reference Entity (i) assumes or becomes liable for such Cash Agreement whether by operation of law or pursuant to any agreement or (ii) issues bonds or other debt securities that are exchanged for the Cash Agreement, and in either case such Reference Entity is no longer an obligor (primarily or secondarily) or guarantor with respect to such Cash Agreement. The determinations required pursuant to the definition of **Successor** shall be made, in the case of an exchange offer, on the basis of the outstanding principal balance of the Cash Agreement tendered and accepted in the exchange and not on the basis of the outstanding principal balance of bonds or other debt securities for which the Cash Agreement has been exchanged.

**Succession Event** means an event such as a merger, consolidation, amalgamation, transfer of assets or liabilities, demerger, spin-off or other similar event in which one entity succeeds to the obligations of another entity, whether by operation of law or pursuant to any agreement. Where one or more Successors to the Reference Entity have been identified and any one or more such Successors have not assumed the Cash Agreement, a Substitute Cash Agreement will be determined in accordance with the provisions of the definition of **Substitute Reference Obligation** (for which purpose the words "the events set forth in (a) above" shall be deemed to include the relevant Succession Event).

**Successor** means :

- (iv) If one or more entities each directly or indirectly succeed to more than twenty-five per cent. of the Cash Agreement by way of a Succession Event, and more than twenty-five per cent. of the Cash Agreement of the Reference Entity remain with the Reference Entity, each such entity and the Reference Entity will each be a Successor and the terms of the Notes will be amended in accordance with the provisions set out in the definition of Multiple Successor in Appendix 1.
- (v) If one or more entities directly or indirectly succeed to a portion of the Cash Agreement of the Reference Entity by way of a Succession Event, but no entity succeeds to more than twenty-five per cent. of the Cash Agreement of the Reference Entity and the Reference Entity continues to exist, there will be no Successor and the terms of the Notes will not be changed in any way as a result of the Succession Event.
- (vi) If one or more entities directly or indirectly succeed to a portion of the Cash Agreement of the Reference Entity by way of a Succession Event, but no entity succeeds to more than twenty-five per cent. of the Cash Agreement of the Reference Entity and the Reference Entity ceases to exist, the entity which succeeds to the greatest percentage of Cash Agreement (or, if two or more entities succeed to an equal percentage of Cash Agreement, the entity from among those entities which succeeds to the greatest percentage of obligations of the Reference Entity) will be the sole Successor.

The Calculation Agent will be responsible for determining as soon as reasonably practicable after it becomes aware of the relevant Succession Event (but no earlier than fourteen calendar days after the legally effective date of the Succession Event), and with effect from the legally effective date of the Succession Event, whether the relevant thresholds set forth above have been met, or which entity qualifies under (vi) above, as applicable.

A notice will be sent by or on behalf of the Issuer to the Noteholders evidencing the Succession Event and giving all necessary relevant indications as to the Successor(s), the Multiple Successor Notional Amount (if applicable) and the change in Cash Agreement.
